Chicago

After 16 hours of driving we got off the highway at 111th, and it didn't take long to realize that we weren't in Kansas anymore. We were definitely in "the hood" of Chicago. This set the stage for a great spring break full of new experiences and opportunities to grow. Each year, a the team of staff with Campus Crusade for Christ in Chicago hosts a spring break trip for other colleges around the country to attend. The week is called Urban Immersion and incorporates great teaching from local pastors and college professors, opportunities to serve the inner city through homeless shelters and after school programs, and time visiting local campuses to meet fellow students and engage them in conversations about Jesus. My favorite day of the week was when we visited the campus of University of Illinois at Chicago (UIC). While at UIC Ricki, Ivanna, and I were able to strike up a conversation with Emma, a sophomore, using a picture survey. After the survey we were able to explain the gospel with Emma. Having a relationship with God through Jesus was a foreign idea to her and although she wasn't ready to make a decision to begin that relationship with Jesus, she was very intrigued. After meeting with Emma, Ricki and Ivanna were so excited to have shared their faith with her. This was just one of many occasions throughout the week where I saw students be bold in their faith and experience God in a new way.

Thank you for helping us to share God's wonderful news with college students through your prayers and partnership!

We have some exciting news to share with you!

We are expecting another baby! Darci is about 12 weeks along now, and the baby is expected to arrive in early October. We have not had any ultrasounds yet, but Darci did get to hear the little one's heartbeat last week (167 beats per minute). Please pray for the baby's health, and Darci's too.

Brett and UNC students posing in front of Cloud Gate (aka "The Bean") in Chicago.

The group from UNC uses a picture survey to get into spiritual conversations on campus.

Brett helps Arami learn the value of coins in a Save America's Youth after school program.

Prayer Requests

- Praise God for a great week of experiencing growth for our students in Chicago.
- Please pray for our students and staff team as we wrap up this semester and make preparations for the summer.
- Please pray for the growth and development of Baby Hullah and for Darci to feel better soon.
